

Pinky is a super special blanky
Sitky round the edges
Spongy in the middle
And squished and snotted on by Lucy
But best of all...

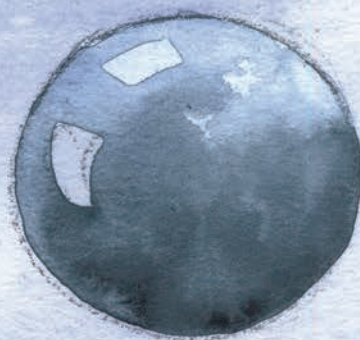

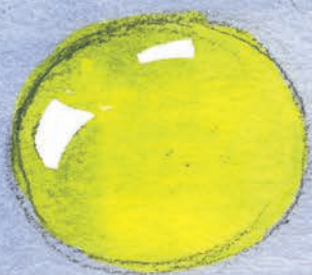

Made with love by Lucy's Grandma,

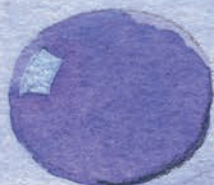

Mended with care by Lucy's Grandma,

And not quite often enough,
gently washed with the best smelling
Grandma soap ever

When Lucy wakes
in the night
Just a little bit scared
of the shadows

She just snuggles up
with Pinky
And she's back dreaming
the dreamiest of dreams
